Rules:

- * Games are timed (one minute 30 seconds between ends).
- * Players put results on scoreboard themselves after each end.
- * During games if stone measurement is needed players do it themselves. DSC shots are measured by umpires.
- * Players put the stationary stones themselves (position number two).
- * 8-end games. Draw doesn't exist, an extra end is played.
- * For win team gets 1 point, for loss - 0 point.
- * Practice time in round robin – 4 minutes. After practice 1 minute for each player to deliver DSC shot (total 6 DSC shots for each team in tournament).
- * Practice time in playoff - 3 minutes.
- * First team in Schedule: practice first and plays red stones. Games marked with * before the time made a coin toss. Winner will have the choice of first or second practice.
- * After round robin all teams are ranked in the group by 1) win/loss 2) head to head result 3) DSC (5 shots counted, the single least favourable result is automatically eliminated). First two teams of the group are playing playoff.
- * Throughout all playoff games the higher ranked team in their respective group will have first choice for either stone placement in the first end or stone colour. In case of equally ranked teams facing off, the team with the better DSC will have the first choice.
